BENCHMARK PUBLISHING CO.

Human Resources, Personnel Recruitment, Training Development Data

Masterfile Database of Responders. 100% At Business Address.

Founded early in the nineties, Benchmark Publishing amassed a comprehensive HR & Personnel database as a result of their publications, videos and training programs. Their list is meticulously managed and updated every three months. 100% deliverability is guaranteed.

Designed by experienced HR professionals and consultants, the Benchmark program provides the essential keys to successful management at every level in the HR function, including performance & employee evaluation, quality management & department performance standards, employee communication, benefits management, career tracking, delegation, decision-making, problem-solving, and effective recruitment strategies.
