100% at Home Addresses. 73% Male. 60% Phone Numbers

The Wall Street Organization, Inc.TM (WSO) is an investment banking and financial public relations company, specializing in the coordination of capital formation, reverse mergers and consulting for distressed public companies. Their extensive financial public relations expertise is focused primarily on Regulation D Private Placements for accredited investors, together with Regulation A Offerings. One of their principal benefits to clients is the ability to communicate and influence to their proprietary database of qualified investors*. These investors have sought information from WSO through their website, at meetings and conferences held for this express purpose, and through e-mail and mail communications.

*WSO qualifies all of its investor participants according to the following criteria. This entire list meets these requirements:

\$1 million net worth exclusive of home	excellent credit rating
\$200,000 annual income for last three years	Known investor
Investment interest	has investment goals
