SCHOOL TOBACCO EDUCATION RESOURCES (STER) MANUAL
Children & Teen Health & Health Promotion Products

The nations leading expert on tobacco education resources prepared this directory with grants and public health assistance. Subsequently it was sold via direct mail and the Internet to numerous school and general public health institutions and professionals.

His programs help health care institutions, schools, public health, and even sports franchises overcome the problems of tobacco use. Other products of the company include workbooks, cessation guides, videos, CD-Rom training programs, conferences and seminars.
